This map of Svalbard illustrates land access zones, national parks, and nature reserves. The map uses a color-coded system: green dots for land access zones without numerical limits, blue dots for zones with limits, green lines for national parks, and red lines for nature reserves. A scale bar indicates a distance of 120 km, and a north arrow is present. The map is overlaid with a coordinate grid ranging from 380,000 to 720,000 on the x-axis and 8,540,000 to 9,000,000 on the y-axis. Key locations and zones labeled include:
